Newsletter

May 2011

Welcome to the summer term here at Collaton.

This is always a busy term and for a number of the children this is their last term with us before they start at primary school. These children will be in our 'acorn' group during this term and will be taking part in some additional activities as part of their preparation for going to school.

Sun cream

This year, rather than asking for each child to bring in individual sun cream we will be providing sun cream for the children which we will apply when required on warm days. If your child requires a particular sun cream because of an allergy you are welcome to bring in the one they need, providing it is well labeled with your child's name.

Sun Hats - Please bring a sun hat, clearly named please to be kept in the sun hat bucket.

Thank you
